"We had an epidemic of dysentery in
this vicinity last summer," says Samuel
S. Pollock, of Bricefield, Cal. "I was
taken with it and suffered severely until
some one called my attention to Cham-
berlain's Colic, Cholera and Diarrhoea
Remedy. I procured a bottle and felt
better after the first dose. Before one-
half of the bottle had been used I was
well. I recommended it to my friends
and their experience was the same. We
all unite in saying it is the best." For
sale by Druggists.

Gladness Comes

With a better understanding of the
transient nature of the many phys-
ical ills, which vanish before proper ef-
forts—gentle efforts—pleasant efforts—
rightly directed. There is comfort in
the knowledge, that so many forms of
sickness are not due to any actual dis-
ease, but simply to a constipated con-
dition of the system, which the pleasant
family laxative, Syrup of Figs, promp-
tly removes. That is why it is the only
remedy with millions of families, and is
everywhere esteemed so highly by all
who value good health. Its beneficial
effects are due to the fact, that it is the
only remedy which promotes internal
cleansing without debilitating the
organs on which it acts. It is therefore
all important, in order to get its ben-
eficial effects, to note when you pur-
chase, that you have the genuine arti-
cle, which is manufactured by the Cal-
ifornia Fig Syrup Co. only and sold by
all reputable druggists.

If in the enjoyment of good health,
and the system is regular, laxatives or
other remedies are then not needed. If
afflicted with any actual disease, one
may be commended to the most skillful
physicians, but if in need of a laxative,
one should have the best, and with the
well-informed everywhere, Syrup of
Figs stands highest and is most largely
used and gives most general satisfaction.

Cuba News.

THE MCKINLEY'S AT HOME.

General Happenings Through-

out the Country.

NEW YORK.—There appears to be

no immediate prospect of a settlement

of the strike of the Adams Express

company's employees. General Agent

McWilliams says he has received

more than forty applications for each

place vacated by the strikers. The

latter say delegates have been sent to

Philadelphia, Pittsburg and Baltimore

to urge the men employed by the

company in the cities mentioned, to

join the strikers. Some of the new

men engaged by the company have

quit work.

NEW YORK.—Thomas Adams Jr., of

Brooklyn, son and business partner of

the millionaire manufacturer of chew-

ing gum, has been sued by Myrtle

Thurlow, said to be an actress, for

\$100,000 damages for breach of promise

Adams has a wife and grown-up chil-

dren.

HAVANA.—Maximo Gomez is und-er-

stood to be in the district of Cobra

Santiago de Cuba and only about ten

miles from the city of Santiago de

Cuba. This report however has not

yet been confirmed.

MILWAUKEE, Wis.—A special from

Manistee, Mich., says two mills at

Salt Block and Lumber yard of Peters

Salt & Lumber Co. are shut down on

account of a strike throwing 500 men

out of employment.

ROME, N. Y.—Four hundred and

ninety Italians employed by Miller &

Co. on Rome's sewer system are out

on a strike. The contractors announce-

d that pay day would occur but once

every two weeks, which caused the

strike.

WASHINGTON.—At Democratic head-

quarters it was announced today that

an effort will be made to induce some

very prominent silver Republican

preferably Senator Teller to accept the

presidency of the Bryan and Sewall

Republican clubs.

PROVIDENCE, R. I.—The convention

of the National party was held at

Fields Point today. Among the res-

olutions adopted was one requesting

President Cleveland to grant belliger-

ent rights to Cuban revolutionists.

EAU CLAIRE, Wis.—Todaywhile a

force of twenty-three working men

were engaged in tearing down a
music hall, a four story frame store-
ture it collapsed. Twenty-five men
went down in the ruins, and three are
dead.

CANTON, O.—Major and Mrs. Mc-
Kinley reached home from Cleveland
this afternoon. Major McKinley never
looked more confident or in better
health and spirits.

Only 906 persons in 1,000,000, ac-
cording to a medical authority, die
from old age, while 1,200 succumb to
gout, 18,400 to measles, 27,000 to ap-
oplexy, 7,900 to erysipelas, 7,500 to
consumption, 48,000 to scarlet fever,
25,000 to whooping-cough, 30,000 to
typhoid and typhus and 7,000 to rheu-
matism. The averages vary according
to locality, but these are considered
pretty accurate as regards the popu-
lation of the globe, as a whole.

FOR OVER FIFTY YEARS.
An old, well-tried remedy. Mr.
Winslow's Soothing Syrup has been
used for over fifty years by millions of
mothers for their children while teeth-
ing, with perfect success. It soothes
the child, softens the gums, allays all
pain, cures wind colic, and is the best
remedy for diarrhoea. It is pleasant
to the taste. Sold by druggist in
every part of the world. Twenty-five
cents a bottle. Its value is incalcu-
lable. Be sure and ask for Mrs. Win-
sow's Soothing Syrup, and take
no other kind.

porting to call for one hundred dollars, favor of
John Gates, and endorsed by me, as same has
been paid, and I hold Mr. Gates' receipt. Said
